

# ***WILLIAM COLLINS BUILDING***

---

## **Fayetteville, NC**

Progressive Contracting Company, Inc. (PCCI) has been requested by the Fayetteville State University to update the existing restrooms to meet ADA and fire code requirements. In addition to these services we are updating the existing central corridor of the building to meet the modern fire and egress requirements. Since the building is occupied and houses a fee based national testing agency, PCCI will need to perform the work during the hours of 6:30 pm and 6:30 am in accordance with our contract.

*Owner:* Fayetteville State University  
*Architect:* In-House
